

# Crafting a Vision for Your Life

Use the following questions to help establish a clear picture of VISION for your life. The goal is to paint a clear picture of your future self.

1. My top three strengths are...

---

---

---

2. Strengths that others have commented on include...

---

---

---

3. What makes me truly happy?

---

---

---

4. What activities make me feel most alive and fulfilled?

---

---

---

5. What three activities do I wish I devoted more of my time to?

---

---

---

6. What do I do that I consider truly special, unique or important?

---

---

---

7. What three things must I do daily to feel fulfilled in my work?

---

---

---

8. What are my five most important values?

---

---

---

9. What do I want to be known and remembered for? (Think accomplishments, actions, characteristics and behaviours. Imagine yourself being honoured at your retirement party after a successful career. What do you want the people closest to you to honour/commemorate?)

---

---

---

10. What impact will I have? (Think legacy and influence.)

a. On my family and loved ones? What difference am I making for them in the future?

---

---

b. On my work colleagues and clients? What impact am I making in their lives?

---

---

c. On my industry? What influence am I having? What trends am I setting?

---

---

d. On broader issues? What initiative(s) am I championing? (Think community, social, environmental, etc.)

---

---

e. How large will my impact be? How far is my reach? Local, national, international?

---

---

11. If I never had to work another day in my life, how would I invest my time?

---

---

---

---

12. What aspects of your personality add the most value to the world?

---

---

---

---

13. If I could choose any one person - living or dead - who would I most want to emulate? Why?

---

---

---

---

## What else? What else?

What else will complete the picture of the life I want to create for myself?

---

---

---

---
